3. The Chief Conservator of Forests, in Mysore, Bangalore, will be at liberty to accept or reject the lowest tender without assigning any reason therefor.

4. Within fifteen days from the date of intimation of the fact of approval, the successful tenderer shall furnish a security of Rs. 200 including the initial deposit referred to above in the shape of Mysore Government Savings Bank Account, duly pledged in favour of the District Forest Officer, Mysore Division, Mysore, and execute an agreement binding himself to observe the following conditions.

N.B.—As a rule, rates are payable for the superior class of prepared wood and less for Milva-chilta. Hence, two different rates should be quoted in the tender, one for the out-turn of superior classes and the other for Milva-chilta, since the object aimed at is that greater care should be taken by the contractor to see that the Koti preparation work is conducted on principles of economy so as not to waste heart wood by conversion into chips. The contract will also be liable for cancellation at the discretion of the District Forest Officer on account of such default.

(*i*) The loading and unloading business will be done so as not to give room for leakage or damage of sandalwood and that in either case the contractor will be liable to the department for the loss so sustained.

(*j*) That all the loaded carts will leave the Koti at the same time and move on in one batch, under the supervision of the departmental subordinates to be deputed to guard the consignment.

(*k*) That the cartmen do not smoke either in the Koti or while the sandalwood is under transit, and that in case of danger to the sandalwood by fire, the contractor will be liable to the department for damages.
